## EXPERIENCE

Web Developer Intern | N.S. Media Vasai-Palghar

July 2022 To August 2022

- Developed and maintained websites using HTML, CSS, and JavaScript.
- Collaborated with the design team to implement user-friendly web pages.
- Optimised web applications for speed and scalability.
- Assisted in debugging and troubleshooting code issues.

---

## PROJECT

- **Description:** Created a modern, responsive website for Omnifood, a meal subscription service. The site features an intuitive user interface that guides users through the service offerings, including meal customization, pricing plans, and customer testimonials.
- **Technologies Used:** HTML, CSS, JavaScript.
- Interactive elements like a subscription plan selection.
- Visual presentation of meal options and nutritional information.
- Testimonials and social proof integration.
- **Outcome:** Successfully deployed the website on Netlify, showcasing a professional-grade web application with a focus on user experience.

**Additional Projects:** Landing Pages , Sign up Pages and More.

---
